

Isaiah 55:11, "So will
come to pass and exist
My spoken word of the
matter that descends
from out of My mouth,
it will not return to Me
empty except it will do
that which I am
pleased with and
desire. It will prosper in
what I sent it."

Project Bible

**Empty Tomb Ministries
Foundation**
The Ministry with Heavenly Goals

Project Bible is a ministry that does not come back void.

This ministry is to specifically provide the written word of Yahweh to those earnestly seeking and searching for His Truth. Those in need are located in foreign countries and even local prisons.

Rev. Jerry Ayers states, "I have been personally told by those in the country of Kenya that up to 25 people have to share one Bible. Also, I have visited with those in the country of India where villages even tear pages out of a Bible to take home to read then change with a neighbor when they are though. In a country where we let dust collect on our Bibles sitting on the back of the shelf wouldn't it be a great feeling to know that your gift of a Bible to one in need is sought after and more valuable than gold!"

In most cases, Bibles can be purchased for this ministry for under \$10.00 each and in some cases as low as \$3.00 each.

Please consider this gift that will truly change a person's life.
